

CS 480 Computer Graphics

Spring 2025

Assignment 6

Due Date: 05.01.2025, 11.59pm

No late due!!!

- Please select one of the shared SIGGRAPH papers from the Papers Pool under Content and inform me about your selection till April 20th.
- Carefully read your paper, prepare a 2-page summary report and also a 8-10 slide long presentation. **YOU DO NOT HAVE TO IMPLEMENT IT!!!**
- Submit your presentation and report in a single zip file till May 1st which is the day of your presentations.
- Be ready to do your presentation in our presentation session. Due to time limitation, only a few of you will present. We will draw the presenter names randomly on that day. If your name is drawn and if you are not in the classroom, you will get 0 even if you sent your report and presentation. Attendance is mandatory!!!
